Serious Learning, Serious Fun!

Here at Global Village Calgary, we create a complete English immersion experience by providing our students with support, care, and a world-class English language education. In our General English Program (GEP), students will achieve their desired personal goals - not only through intensive study, but also through the practical use of the English they learn.

Last year, over 90 countries were represented among our GV Calgary students. Studying with quality students and making new friends from around the world makes your experience at GV Calgary extra special. Our certified teachers have a wealth of knowledge in the ESL industry, and their classes are based on a curriculum designed around a communicative classroom environment. Classes will expand students' vocabulary, increase listening, reading, and writing skills, and build the confidence necessary to use English in a variety of settings.

We have academic skills building as well as special interest afternoon Elective Classes.

ENTRANCE LEVEL: No Minimum Level Required. We have classes for every English proficiency level with 8 levels of General English study.
