A Classic Canadian Experience!

If you are interested in visiting rural Canada and experiencing life on a real farm or ranch in Canada, then the GV Farmstay/ Ranchstay program is for you!

Calgary is a safe and authentic Canadian city that is modern but relaxed. This is a great opportunity to enhance your language skills in a caring environment and then apply these skills in a practical, rural setting.

Whether you choose to live on a farm or ranch, these programs offer open-minded students a chance to help out with the chores associated with an agricultural lifestyle and expand your understanding of what it takes to live beyond city limits in the vast expanse of the Canadian landscape.

ENTRANCE LEVEL: High Beginner Level Required

Volunteering on the Farm will take place between April-October.
