

## GV CALGARY TEEN ACTIVITY PROGRAM + LEADERSHIP PROGRAM, July 2018 (ages 14~17)

Global Village Calgary is very pleased to offer young students from around the world an opportunity to combine our Teen Activity Program (TAP) with our new Leadership Certificate Program (LCP).

The TAP + Leadership Program begins on Tuesday, July 3, 2018:  
- 4 weeks: July 3 to July 27, 2018  
- 3 weeks July 9 to July 27, 2018

Students will have ESL lessons in the mornings (Monday to Friday, 20 lessons per week), focusing on increasing fluency in Speaking, Listening, Reading, and Writing. Teen students improve their English rapidly at GV Calgary in 3 or 4 weeks!

The package also includes fun and exciting afternoon activities and Saturday excursions each week. Students in the Leadership Program will have special classes at GV Calgary from 1:00 to 3:30 p.m. over three Wednesdays, plus they will also visit SAIT Polytechnic University on our "Connect with Canadian Study Futures" afternoon.

Leadership lessons include Global Citizenship Education and Skill Development (wherein students develop critical thinking and communication skills). Canadian high school students, who are selected because of academic achievements and potential to be future leaders, will also participate in the Leadership Program and attend activities and Saturday excursions with International teen students.
