

ENGLISH PLUS FLORAL DESIGN

Global Village Toronto

6 Weeks*, Full Time

CANADIAN INSTITUTE OF FLORAL DESIGN

Global Village Toronto partners with the Canadian Institute of Floral Design (CFID) to offer a program that teaches English plus a new hobby or career in flower arrangement.

The Floral Instructors at CFID have trained over 3,700 students professionally. They are respected and noted in both the teaching and business world. Many graduates of the program have opened their own retail flower shops.

THEORY AND PRACTICAL LESSONS

The majority of the students in the program are Canadians exploring their passion for flowers. This makes it a great opportunity for foreign students to interact with native speakers and thrive in an English-only environment.

Each lesson combines both theory and practice of the floral design techniques, including:

- ❖ Design forms
- ❖ Design techniques
- ❖ Proper care and handling of fresh flowers
- ❖ Wedding etiquette
- ❖ Funerals and sympathy tributes
- ❖ Wholesale excursion

Start listed below are for the 6-week program:

3 weeks of Intensive General English Program
