## Improve your English quickly! Experience Multiculturalism in Toronto!

GV Toronto's Teen Activity Program combines intensive, oral -focused classes with action-packed activities in a safe, multicultural environment. Teenagers will improve their skills quickly both in and out of the classroom with fun, interesting classes and daily afternoon activities in the big, beautiful city of Toronto. On Saturdays, students will participate in day trips to the world famous Niagara Falls, Wet n' Wild water park and Canada's Wonderland.

Students have the opportunity to stay in either a warm, welcoming host family who live an average 40 minutes from the school or they can stay in a nearby residence with GV staff and students from around the world.

Student safety, quality education and a great deal of fun are on top of the list in this experience of a lifetime.

\*Please add money for a weekly or monthly transit pass. Please contact the school for lower fees for students with family in Toronto.

"I came to Toronto and attended the GV TAP. The thing I liked the most from my class was how nice the teacher and the rest of the class was. We learned a lot of things. I improved my pronunciation and debating skills. After the classes everyday we had different and amazing activities. From my host family I really like the fact that they were very welcoming and I felt like I was at home."
