QUALIFIED AND EXPERIENCED TEACHERS
The teachers at GV Toronto hold university degrees and English teaching qualifications to Languages Canada standards. Our full-time instructors have an average of 12 years' experience teaching at GV Toronto, so they know how to explain English grammar clearly and answer your questions correctly.

METHODOLOGY
GV Teachers will explain structure and functions of the English language, and will also set up a variety of tasks where you will communicate with other students. You will work individually, in pairs, in groups and as a class to get great speaking practice with your classmates, focused on accuracy as well as fluency.

PROGRESSION
There are eight levels in the General English Program at Global Village Toronto. Each level has 12 weeks of curriculum, but students may progress faster. You will receive a level outline on the first day of classes that explains all the topics you will be learning in the level.
