

30+ ADULT PROGRAM GV Vancouver

30 lessons per week (Full Time Intensive-most popular)

25 lessons per week (Full Time)

20 lessons per week (AM only)

Learn English, One experience at a time.

30+ GEP Program is offered in response to the growing number of mature adult students at our school who prefer to study with those having similar interests. The curriculum and the prices are exactly the same as our regular General English Program. The classes, however, are scheduled with an eye to keeping the mature students together, and we schedule teachers who are talented and popular among the mature students.

30+ Activities are also flagged on our monthly activities calendar for our mature students who prefer to join activities with other mature students to reinforce their friendships.

30+ Accommodation - whether it's in homestay or in our hotel residence, our GV Accommodations Team is ready to place our mature student in an accommodation suitable to the specific needs and requests of the mature client.

* If you wish to be placed in our 30+ Adult program, then just let us know in your application!

" I really appreciate this time in GV. I think that my English has improved a lot, and it was because my English teachers helped me. The classes are so helpful and all my teachers were so qualified. All GV students are awesome. I learned a lot from people from all over the world. I learned that despite the fact that all of us are different, we came here with the same purpose, which is to learn English. But we don't just learn English, we learn about each other."
