GLOBAL VILLAGE IS THE OFFICIAL IELTS TEST CENTRE on Vancouver Island.

Here at Global Village Victoria, our IELTS preparation classes focus on the main components of both the Academic and General English Tests. Instructors use a vast set of resources that assist students in achieving their desired results and guide students through essential strategies for each section of the IELTS exam: reading, listening, writing, and speaking. The classes are centered on improving language skills and intensive test practice that builds familiarity with the format of the test itself.

GV Victoria offers a Full-Time Program and One-On-One Lessons, Workshops, as well as an Online Self-Study Course and Free IELTS Seminars for students preparing for the test. Our students have been very successful in reaching their goals and have gone on to study at universities throughout Canada and abroad, or immigrate to the country of their choice. The test is offered three times a month, on Saturdays (the schedule may vary).
