GRADUATE & ALUMNI TESTIMONIALS

KENNY HONGO, JAPAN

"I studied at GV Victoria for 9 months, and I'm studying at Camosun College. I really appreciate the time I spent at GV. It was very meaningful to me and it helped me improve not only my English, but also communication and presentation skills. I often remember the moments when I was attending EAP classes at GV, and they remind me of the English expressions or vocabulary words that I learned then, having fun with my classmates and teachers.

I've been studying at Camosun for over a year, taking Computer Science, Math and Statistics and I'm thinking of transferring to UVic later on."

"I'm really happy about the eight months that I spent at GV Calgary. That time not only helped me to improve my English and understand more about the Canadian culture, but I also met wonderful people from around the world. I always remember with joy my time at GV Calgary, and sometimes I just stop there to talk with the wonderful staff and teachers that I met and learned so much from.

I graduated at SAIT in April 2019 after two years, with a Diploma in Energy Asset Management. Two months after I graduated I found a job in my area, working as Land Analyst at Land Solutions LP."

CARLOS SANDOVAL, VENEZUELA
