Teaching qualification will add to your success!

The **CELTA Program** is designed for learners who wish to receive an official Cambridge certificate in teaching English to speakers of other languages to those who wish to teach adults or children at home or abroad. Whether you're a new teacher looking for your first teaching job, or you want to prove to employers that you have quality teaching skills with a recognized certificate, CELTA is the qualification you need.

Who is CELTA for?

- > New teachers starting their career
- > First language English speakers and non-first language speakers
- > Teachers who want continuing skills development
- > Those who want to travel and teach English

Start your CELTA!

CELTA gives you the skills, knowledge, confidence and hands-on experience to start teaching.
