TESTIMONIALS

"I miss my life when I was studying at **GV Victoria** because I loved my homestay. The teachers are really good and the other students are very friendly. They always supported me. Even now I keep contact with them. I hope to meet them again! I'll never forget the time I spent there."

– **Chiho, Japan**

"Classes are the most dynamic and entertaining so that you learn without realizing it. I mean there is a moment in the class where without realizing, you are already speaking English without any problem. Hawaii is the best place to come to study! Culture, life, school, people - everything is perfect. If I had the opportunity to return for the third time to study at **GV Hawaii**, I would do it without thinking!"

– **Jorge, Mexico**
