

In addition to our first class homestay program, Global Village Calgary is able to offer the following alternatives to homestay, subject to availability.

For further information on availability, please contact GV Calgary at calgary@gvenglish.com as the number of options may increase or change.

Our accommodation options include homestay, and in the downtown, a hostel as well as furnished apartments. There is a placement fee of \$220 for all types of accommodation. This fee is non-refundable. All non-homestay accommodation requires students to be at least 18 years of age. All non-homestay accommodation is subject to availability. A minimum of 8 weeks' notice for the booking (at least 12 weeks' notice for Calgary Stampede during July) is required for both short term and long term accommodation. Accommodation costs for homestay and the hostel need to be paid to Global Village Calgary in order to book all accommodation and ensure special rates. For the furnished apartment, the placement fee must be paid to GV Calgary and the monthly rent directly to the apartment manager upon arrival.
