

Prepare to enter University or College in Canada

Studying in university is a challenging task, especially when doing it in a foreign language. Students need a high level of academic English, including academic reading, note-taking and lecture skills, and academic writing and research skills.

The GV English for Academic Purposes (EAP) class helps students prepare the above skills for entering a university or college in Canada.

Students will start out in our General English Program (with the option of an Advanced IELTS preparation class). By adding specifically selected classes each afternoon, students will be well prepared to begin their adventure in studying in a Canadian university or college.

EAP should be taken as a minimum of 12 weeks of study with 30 lessons per week. In order to take part in a Pathway, students should reach GV 6 or GV 7 (CEFR C1). There are many accredited universities and colleges in our Pathways & Partnerships Program.

ENTRANCE LEVEL: No minimum level required

GV ENGLISH PROGRAM SCHEDULE

30 Lessons	Monday - Friday
