VOLUNTEERING CONNECTS PEOPLE!

Why not make the most of your time at GLOBAL VILLAGE VICTORIA by studying English and helping a local charity organization? Volunteering is a great way of developing yourself, learning new skills, meeting people and being part of the community.

Victoria is home to many high-profile non-profit organizations (NPOs) and is well-known for volunteerism.

If you are a nature lover, get your hands dirty working on a nature conservation site or park. You can help change someone's life by taking part in social assistance programs, housing, and socio-cultural programs. Volunteer at a sports, film, music, theatre or cultural event - Victoria has different events happening throughout the year, especially in summer season. Contribute towards the maintenance and promotion of museums and heritage sites while promoting Canadian artists at galleries and studios.

There are innumerable organizations that students can volunteer at. It is an amazing experience for your career and it enhances you life!

*Entrance Requirement: no minimum level required.

"I was in this wonderful language school for 7 weeks and I had an unforgeable time. The teachers were very good and I learned a lot. Almost every day GV has an activity programed with a lot of interesting things to do. Victoria is a beautiful city, not too big but you can do a lot of different things."
