CAMBRIDGE EXAM PREPARATION PROGRAM (FCE & CAE)
GV Victoria

FCE 30 lessons per week: 9 weeks (super-intensive)
FCE and CAE: 25 lessons per week: 4-12 weeks (intensive)

CHALLENGE YOURSELF TO REACH TOP ENGLISH PROFICIENCY.

THE CAMBRIDGE EXAM PREPARATION PROGRAM is essential for students who need a Cambridge exam score to achieve their goals, whether it is for employment, professional accreditation or further education.

Cambridge is an international certificate valid for life and is recognized around the world for business, study and immigration purposes. Thousands of employers, universities and government departments officially recognize the Cambridge First Certificate (FCE) as upper-intermediate and the Cambridge English Advanced (CAE) as advanced qualifications in English.

The Cambridge program covers all four modules of the exam: reading, writing, listening, and speaking, as well as intensive vocabulary building. Practice tests and strategies for preparation are also an integral part of the course. Students must write the final exam.
