GLOBAL VILLAGE HAWAII is proud to be working with some of the top ukulele musicians in Hawaii. These partnerships guarantee your stay will be professionally run with first class English and ukulele instruction!

Translated as "jumping flea", the ukulele is considered as one of the core musical instruments in Hawaiian music today. Regardless of experience and knowledge of the ukulele, our experienced and professional ukulele instructors will be able to teach you basic to advanced chords and will have you strumming your favorite songs in no time.

Just decide your English study period as well as the number of English lessons you would like to take a week—16, 20 or 25 lessons and we will take care of the rest! GV Hawaii will schedule your private ukulele lessons around your English class schedule.

“The atmosphere at GV Hawaii is really nice and easy going. The school activities are the best, especially the island trips and snorkeling with the dolphins. I had a lot of opportunities to talk to and be friends with other students during all the activities!”
