STUDY AS A FAMILY WITH GV HAWAII'S PARENT & CHILD/TEEN PROGRAMS!

Parents study part-time (20 lessons per week) in the adult General English Program while their children can study in the Cambridge Young Learners of English (YLE) or Cambridge Teen Learners of English (TLE) Programs.

The Cambridge TLE Program is recommended for teens from 12 to 17 years old and aligns the curriculum with the Cambridge Key English Test (KET) and Cambridge Preliminary English Test (PET).

The Cambridge YLE Program is for young students recommended from 7 to 12 years old, who wish to get a head start in developing effective English communication skills. YLE students can receive an official Cambridge certificate upon taking the Cambridge YLE exam.

In addition to the Cambridge YLE & TLE classes, students will have activities with their classmates in a fun and casual environment after school. Students will be able to improve their English and make new friends in Hawaii.

Study together as a family and create memorable experiences together while in paradise!

Contact GV Hawaii at hawaii@gvenglish.com now to plan your next family trip!

“I like GV Hawaii because both the teachers and the classmates are very nice. The teacher teaches English with diverse methods, which makes learning fun and interesting.”

- Rwei Yu (Raymond), Taiwan
