## TEF Exam Prep Class (Test d'Évaluation de Français)

### Why take the TCF or TEF?

Both the TCF and TEF are accepted by IRCC, so which test you choose depends on personal preference for format. For academic purposes—specifically for admission to French universities or academic programs in Quebec—the TCF is generally considered better and more commonly accepted.

Preparing for either the TCF or TEF exam may seem daunting, but with a clear plan, the right resources, and consistent effort, you can achieve the scores you need.
